

Available for Freelance & Full-time

Hi, I'm Kosgei K. Alphas

IT Technician & Network Engineer

Specializing in network design, computer system maintenance, CCTV integration, and modern web UI development. Dedicated to delivering reliable IT solutions that improve efficiency and solve real-world problems.

ABOUT ME

I am a motivated Information Technology professional based in Eldoret, Kenya, with hands-on experience in network management,

infrastructure systems, and technical support.

Currently, I am pursuing a ****Diploma in Information Technology**** at the University of Eldoret to expand my engineering capabilities. My work is driven by a passion for technical excellence and helping organizations build robust systems that perform reliably under pressure.
